

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following

Name of Product: Maytag® and Jenn-Air® brand dishwashers

Units: About 2.3 million

Manufacturer: Maytag Corp., of Newton, Iowa

Hazard: Liquid rinse-aid can leak from its dispenser and come into contact with the dishwasher's internal wiring which can short-circuit and ignite, posing a fire hazard.

Incidents/Injuries: Maytag has received 135 reports of dishwasher fires, resulting in product and/or property damage. Four injuries have been reported, including three reports of smoke inhalation and one serious hand laceration when operating a fire extinguisher to put out a fire in the dishwasher.

Description: The recall involves Maytag® and Jenn-Air® under counter or portable plastic tub dishwashers. The dishwashers have black, white, almond, bisque and stainless steel front panels. The following model and serial numbers are printed on a label located on the dishwasher's plastic frame on top of or to the left of the door opening. Consumers should contact Maytag to determine if their dishwasher is included in this recall.

Sold at: Department and appliance stores and by homebuilders nationwide from July 1997 through June 2001 for between \$370 and \$800.

Manufactured in: United States

Remedy: Consumers should immediately stop using these dishwashers, disconnect the electric supply by shutting off the fuse or circuit breaker controlling it and inform all users of the dishwasher about the risk of fire. Contact Maytag for either a free in-home repair, or a \$75 cash back reimbursement following the purchase of a new Maytag®, Jenn-Air®, Whirlpool® or KitchenAid® dishwasher. Consumers should not return the dishwasher to the retailer where it was purchased, as retailers are not prepared to take units back.

Consumer Contact: For more information, contact Maytag Corporation at (800) 675-0535 anytime, or visit the firm's Web site at www.repair.maytag.com.

Representative Models:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of serious injury or death from more than 15,000 types of consumer products under the agency's jurisdiction. Deaths, injuries and property damage from consumer product incidents cost the nation more than \$700 billion annually. The CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. The CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters, and household chemicals - contributed significantly to the 30 percent decline in the rate of deaths and injuries associated with consumer products over the past 30 years.

To report a dangerous product or a product-related injury, call CPSC's hotline at (800) 638-2772 or CPSC's teletypewriter at (800) 638-8270 or visit CPSC's Web site at www.cpsc.gov/talk.html. Consumers can obtain this release and recall information at CPSC's Web site at www.cpsc.gov.
